Alright, where to start,  
Now let's take a look.

Why even bother?

Why write a book?

Because, in the past,  
when bystanders did naught,

The innocent suffered,  
great evils were wrought.

We want you to join us,  
we love you in spite,

Of the parasites' efforts  
to make us all fight.

We are trapped in their  
cycle 'till you realize;

'Till you Wake the Fuck Up  
and Open Your Eyes!

Hospitals were paid thousands of bucks to contrive,  
That to a death, actually, covid applies. \*4

If you eat a whole skunk, have a stroke or a crash,  
If they say "it was covid" they collect cash.

*Paid-media skewed numbers, spread fear and division.*

To open your eyes is this book's only mission.

All Media, Cops, Lawyers, Judges, Friends, you MUST rise,

Must Wake the Fuck Up and Open Your Eyes!

In Nineteen Twenty, Rockyfellow bought,  
Our medical system. All old meds he fought.  
On petroleum drugs we must strictly rely,  
Objecting physicians, fined, fired, for outcry.

When it turned out that cancer  
was caused by these drugs,  
He started the Cancer Society, the thug! \*16  
Displacing effective cures made the man richer.  
~I hope you are starting to get the big picture.

When you say "Sorry, you chose not to participate -  
"In the global effort to eradicate covid":

*It breaks my heart.*

We chose not to take part in the globalists' plot,  
To eradicate Free Medical Choice, Speech and THOUGHT.

They led and you followed, betraying our alliance.  
Cost us Lives, Jobs and Freedom, with your willing compliance.

We love you; we know how convincing their lies.  
But it's Time to Wake Up, Friends, and Open Your Eyes.

They came for the Women. I did not  
speak out. I am not a Woman.  
They came for the black people. I did  
not speak out. I am not black.  
They came for the Jews. I did not  
speak out. I am not Jewish.  
They came for the V-free. I did not  
speak out. I am 4x vax ed.  
They came for me. No one spoke  
out. There was no one left to

There are more of us than  
there are of them

Ooh! Look! CELEBRITY!!!

That's it. Keep the  
peace... And keep  
them distracted.

Help!

I'm just  
doing my  
job...

They teach us to hate, teach us to divide:  
Women, blacks, Jews, the gay, the vax-free, ostracized.  
It's obvious, they're up to this old bag of tricks.  
And "Your Silence is Violence" most perfectly fits.

Not the words of our foes, but the silence of friends,  
Is what gives these bad people the means to their ends.  
The wrong side of history? Do nothing. Comply.  
Wake the Fuck Up and Open Your Eyes.

Sorry Ms Lich, we're just following orders.

James Topp has walked the length of our nation.

To meet with MP's of influence and station.

He's been court-martialed now, for waking communities,

Like Tamara, he encourages Peace, Love and Unity.

Our governments hoping we'll get mad and violent.

We will not, but also, We Will Not be Silent.

With Love and Persistence, We All Will Rise,

We are Awake now, with Wide Open Eyes..

A nation-wide warrant for Tamara Lich?

While all Epstein's clients walk free, off the hitch?

She organized truckers, kept Ottawa safe.

She's small, gentle, kind, not trouble or strife.

The only threat she poses is to our "leader's" ego.

So he makes an example of her and her fellows.

He wants us to fear standing up to his lies.
